PLEASE NOTE

- Children will be engaged in Creative workshop & team building games during the free time.
- The above mentioned itinerary has been made with our years of experience and we will try to stick to the schedule, and campsite. However Negi Sports reserves the right to make changes in case of any eventuality to ensure the safety of all participants.
- Conduction of the activity depends upon the climatic conditions of the mountainous terrain, or the capabilities of the group to perform the activities. In case of rainfall any of the activities can be cancelled to maintain the wellbeing of the participants. If any changes are made in the activity, from our side it will be substituted with an equally exciting activity.
