

**“How I miss my school days!
Fun and frolic in many ways.
Wish those days were back again,
To live those memories without restrain.”**

Dear Parents

It is our privilege, that you deem in us the faith and belief to nurture your child’s future. It is therefore our responsibility to manifest it to you at every given moment.

DPS Gwalior is proud to announce the first season of ‘A day at school’ for the parents (mother / father or both) of students of classes VI to X.

You will attend the school as a student and will engage in regular school activities as per the ‘Time Table’. (In case it sounds very formal, go back to your memory lane and try to recall all fun you had as a student on a regular school day. For sure it won’t be missing on this day either).

Interested parents are requested to be a part of it and make it a great success.

The timings will be from 8:00 am to 12:00 noon. For queries please mail at [**dpsadayatschool@gmail.com**](mailto:dpsadayatschool@gmail.com) Kindly submit your consent latest by 1st October, 2019. It will be first come first serve basis and we have only 50 seats per class of two sections and the entries received after 1st October, 2019 will not be entertained. (Give the consent for the class in which your ward is presently studying).
