NOTE FOR PARENTS:

With the sun blazing down and the Summer Vacations lazily stretching out, it's time for the kids to incorporate fun factor to overcome the boredom in life. As the children are away from active school schedule, they need to channelize their energy and utilize their time in a constructive way.

Here are some interesting activities which will help you keep your children occupied fruitfully and creatively.

For Parents

- Spend 20 minutes a day singing with your child any song.
- Allow them to help you in cooking without fire.
- Read out stories to them and ask questions related to it.
- Try to share stories with them about your childhood and family.

For Children

- Begin and end your day with a prayer.
- Learn to tie shoe laces and also buttoning up a shirt.
- Clean your room and arrange your toy shelf.
- Make card for your parents on Father's Day and Mother's Day.
