Holiday Assignment

Name of the student _____

Class - II

Session (2025-26)

Dear Parents

Greetings of the day!

Vacations are the best time to relax and enjoy. Summer vacations are the reason behind fun in the sun, beach and shadow of the umbrella, but it is also the time to keep some analogy of academics alive in the fun to chisel the inherent potential inside your child. My suggestion to you is to spend these holidays being sociable and be vibrant in undertaking your plans so that the vacation is made purposeful.

To begin with, enhance every precious moment prudently by motivating your child to read informative and enlightening books. Help them improve their speech by conversing with them on every possible occasion and stop their vocabulary by providing them with new words. Spend substantial time visiting your kith and kin and people in your vicinity. Hold parley with your child on daily happenings and crucial world events as this is the best time to update, put forth your thoughts, notions and ideas before your ward and ask for an opinion, be a constant supporter of tolerance and disseminate it amongst people, teach your child to help and let him/her realize the meaning of real happiness and harmony and certainly root out all possible ill feelings and factions. Try being friendly and benevolent to all, let your child play the part in family reunions which will strengthen your family bond. Look out for the ways to abrade the plodding routine and take up some supportive vigorous activities with your child like swimming, cycling, jogging, painting or any other activity that your child enjoys.

It's your time to make every single moment eventful and memorable for your child and fill them with loads of experiences, which he/she eagerly wants to share with his/her pals and Educators when returned to School.

I wish you a pleasant vacation!

Regards

ADD ONS TO MAKE YOUR VACATION MEANINGFUL !!

Childhood is a crucial stage of development. Most important lessons of life are learnt here! Let us join hands and make sincere efforts to augment and hone the learning process of the child through inculcation of self learning and keen observation.

- * Let us attempt to enable them by allowing them to assume responsibilities of the routine household and shopping chores. (e.g.: laying the table, serving the guests, making their beds, buying groceries from the nearby stores etc.)
- * Let us make them aware about their social responsibilities which will transform them into a responsible citizen of our society. (e.g.: keeping the surroundings clean, make use of public litter bins, switching off lights / fans / closing the taps properly etc.)
- * They should be taught how to connect with Almighty God through prayers and meditation. (e.g.: daily prayers, thought of the day, meditate to improve the concentration etc.)
- * Socialize and connect with people, neighbours and relatives. (e.g.: meeting and greeting neighbours, helping the elderly around, be friendly to the peers etc.)

**We wish all the great for your summer holiday time.

fun be endless with friends and family.**

DIY

- * Recycling is the process of collecting and processing materials that would otherwise be thrown away as trash and turning them into new products. So, let's look around and collect few waste items in our home like coke can, empty toothpaste box, shoe box, plastic bottles, glasses bottle caps etc.

Recycling and reusing the valuable waste material can result in development of fantastic and usable products. Rather than putting these waste materials into the landfills, various innovative and creative ideas can be put together to bring something new and useful.

In these vacations sit with your parents / grandparents and create something magical with these waste items.

e.g. paper bag, pen holder, plastic bottle pots etc.

SUBJECT - HINDI

गर्मियों की छुट्टियों में बच्चे अपने नाना नानी व दादा दादी के घर मौज मस्ती करने व अवकाश को मनोरंजक ढंग से बिताने जाते हैं। इसलिए उनके लिए खुशी तथा प्रेरणात्मक प्रसंग सुनना नानी नाना के द्वारा सुनाई गई कहानियों से ही संभव होता है। अतः पुस्तकों में दी गई कहानियों को पढ़कर भी नैतिक मूल्यों का वर्धन किया जा सकता है।

पंचतंत्र की कहानियाँ

जंगल में मंगल

आसमान गिर रहा है

हम रोज़ सुनें कहानी, दादा दादी की जुबानी
नित सुन सुन नई कहानी, बन जाएँगे हम ज्ञानी
टी.वी. और मोबाइल से दूर, प्यारे लगते नाना नानी
हँसी ठहाकों से भरपूर, पंचतंत्र की कहानी ।।

महत्वपूर्ण बिंदु :

कहानी, हिंदी में गद्य लेखन की एक विधा है। 19 वीं सदी में एक नई विधा का विकास हुआ जिसे कहानी के नाम से जाना गया। बंगाल में इसे गल्प कहा जाता है। कहानी ने अंग्रेज़ी से हिंदी तक की यात्रा बंगला के माध्यम से की। मनुष्य के जन्म के साथ ही साथ कहानी का भी जन्म हुआ और कहानी कहना तथा सुनना मानव का स्वभाव बन गया।

कहानी पाठन के उद्देश्य :

- विद्यार्थियों में साहित्य के प्रति रुचि विकसित करना।
- कहानी में निहित भावों, विचारों, नैतिक मूल्यों को ग्रहण करने की क्षमता विकसित करना।
- सृजनात्मक शक्ति का विकास करना।
