## Special Assemblies

**Diwali Sparkle** - "The greatest significance of Diwali is to light up new, bright and colourful dreams, fresh hopes and undiscovered ways." The exhilaration and celebratory spirit that Diwali brings is unmatched. To add to the festive fervour, Students of Classes Nursery to XII of DPS Gwalior presented a special assembly on Diwali on November 01, 2021. The assembly commenced with a soulful chanting of shloks followed by a prayer to the Almighty. The welcome address was given by Students of Classes Nursery to XII followed by speeches of Students where they spoke about the

non conventional ways of celebrating Diwali. During their speeches, Students emphasized on the importance of saying 'No to Crackers' and urged their fellow mates to be sensitive towards environment by celebrating a clean and cracker free Diwali. As directed by the Ministry of Environment, Forest and Climate Change, Students were explained the relevance of celebrating an eco friendly Diwali and were made to undertake a pledge as part of 'Harit Diwali - Swasth

Diwali' campaign by the Government of India. Beautiful songs were also recited to emphasize on the need to celebrate a peaceful and green Diwali and to save Earth from excessive noise and air pollution. It was a visual delight watching the pupils of Classes Nursery to XII speaking flawlessly about Indian culture and celebration. The assembly came to a close with the Class Educator's message for children to celebrate a cracker free, safe and an eco friendly Diwali and also to promote local vendors by buying goods from them. The Principal, Mr Rohit Panda and the Incharge Educator Ms Jagrati Gangwar visited classes and conveyed their Diwali greetings and shared some tips on how to have a safe and environment friendly Diwali. The event was not only entertaining; but also highly informative. The Students enjoyed it with full fervour, unbounding enthusiasm and loud applause.

**Children's Day - "There is something we can't buy. One of such things is childhood days. And that you will realize only when you grow old."** Delhi Public

School Gwalior witnessed a very beautiful celebration of this year's Children's day. The school Football Ground was chosen as the venue for the event. A beautifully decorated stage was constructed. Educators of DPS Gwalior presented a Special Assembly on November 11, 2021 to commemorate the birth anniversary of Jahaharlal Nehru. The assembly commenced with a welcome speech by an Educator of

DPS Gwalior who explained the history and significance of Children's Day and also elucidated that children are the bright future of the society, the seed of a plant that would nurture the country's future.

Educators presented an enchanting Dance performance followed by Solo Singing, Talent Show and

Fashion Show which turned out to be a big hit. The Students of Classes Nursery to XII enjoyed all the events with full fervour, unbounding enthusiasm and loud applause. They cheered their Educators as they saw them on stage and laughed boisterously at their jokes. The entire campus buzzed with excitement and joy and the Students were overwhelmed with the efforts of Educators. The assembly was enjoyed by Students in both online and offline modes. The assembly came to a close with the

Principal's address. The Principal, Mr Rohit Panda, Vice Principal Ms Gayatri Shrivastava and the Incharge Educator Ms Jagrati Gangwar motivated and congratulated the Educators and Students for such a magnificent event. The day ended in a beautiful resonance lingering in everyone's minds.

**Christmas Celebration- 'The best way to spread Christmas cheer is to sing aloud for all to hear.'**

Christmas brings cheer and love, and Delhi Public School Gwalior celebrated it with the same fervour, spreading the message of love and joy among the children. To celebrate the birth of Jesus Christ, a special

assembly was organized by the Students of classes Nur. to VIII on December 23, 2021.

The programme commenced with the Christmas Carol 'O come all ye faithful' followed by western dance and musical orchestra which was enjoyed by all the Students and Educators. The importance and purpose of Christmas was shared in the assembly.

The children were ecstatic! and Santa thoroughly enjoyed the attention.

The Principal Mr Rohit Panda, Vice Principal Ms Gayatri Shrivastava and Incharge Educators honoured the Students for their achievements. The school organized this program not just to celebrate the glorious achievements of our Students but also to give due regard to our values and morals like discipline, compassion and zeal for learning. Giving Students rewards for their efforts suggests that their hard work is appreciated. This promotes feelings of pride, which goes hand in hand with happiness.

### **Republic Day Assembly - "Freedom in the mind, strength in the words, pureness in our blood, Pride in our souls, zeal in our hearts, Let's salute our India on Republic Day."**

It is a day of National rejoicing and merry making in all over the country, which is also celebrated in our School with great éclat. Then like all the years, the celebration was commenced by the ceremony of unfurling of National Flag followed by the National Anthem.

It is a proud moment that the students of classes NUR to XII celebrated "73rd Republic Day" with pomp and show, zeal and spirit virtually. Our PVC Ms. Archana Dalmia addressed the gathering appealing to their nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility. This was followed by a musical rendition by the Students who presented patriotic song that awakened everyone's feelings towards the motherland. The live Students' speech was given in every class to commemorate

the occasion. A beautiful patriotic dance performance was showcased by the Students which caught hold the attention. A live Educator's speech was also given in every class who brought the attention towards the responsibility of a student for the nation to make their country proud. An instrumental performance by the Students was held to show love and respect towards country. The beautiful ceremony has filled enthusiasm among Students by the Principal's speech who emphasized on the role of youth today as the true wealth of a country. The celebration was concluded by proposing a vote of thanks by the Student. Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace and unity in diversity.

## Special Events

### Visit to Career Fair Drona Mela

Giving the best education or training Students is not enough always. Delhi Public School Gwalior believes that the responsibility of the institution is beyond giving education to Students to qualify their academics with flying colors. We take additional responsibility to support them in making a right start of their career. In this aspect, the Students of DPS Gwalior got a magnificent opportunity to witness Drona Mela 2021, a career fest organised by FICCI and MITS Gwalior, in association with the Ministry of Civil Aviation, Government of India on December 11, 2021 at MITS Gwalior. The programme was inaugurated by Honourable Chief Minister Shri Shiv Raj Singh Chauhan and was graced with the presence of Shree Jyotiraditya M. Scindia, Minister of Civil Aviation, Govt. of India, Shree Narendra Singh Tomar, Union Minister of Agriculture and Farmers Welfare, Govt. of India and other dignitaries. Many companies like SpiceXpress, India's first Drone Airlines, Dronobotics Aviation Developers and Kambill Drone Technology in Indian Agriculture were part of the event. Students were elucidated about the working of drones through their manufacturers and got an opportunity to witness the demonstrations given by them. They gathered information about various kinds of drone and their usage in the field of Agriculture, Air force and Army. It was certainly an informative fest which would prove beneficial to Students in future.

## French Film Festival (Classes VI-VIII)

**“We live in a box of space and time. Movies are windows in its walls. They allow us to enter other minds, not simply in the sense of identifying with the characters, although that is an important part of it, but by seeing the world as another person sees it.”**

French Department along with Le Frehindi Paris organized the French Film Festival 2021 featuring Tintin en Amérique on December 29, 2021. It was organized for the classes VI to VIII in two phases. The French movie was based upon a world wide fame comic strip, The Adventures of Tintin, created by Herge. The story tells us about a young Belgian reporter Tintin and his dog Snowy who travelled to United states. They report an organized crime in Chicago. Pursuing a gangster across the country, he encounters a tribe of Blackfoot native Americans before defeating the Chicago crime syndicate.

The French film helped in the holistic development of Students, to know more about French culture, native accents, sounds and pronunciations. The film festival started with the introduction of the movie, character and the writer, followed by the movie show. A short quiz based upon the movie played. The film festival also helped Students in storytelling, knowing intricate cultural values of target language and coming out of book-based mundane studies.

## Vaccination Drive (Classes IX to XII)

**“We are in this together, and we will get through this, together.”**

As per the guidelines of The Union Health Ministry, India has started administering Covid-19 vaccines to children in the age group of 15 to 18 years from January 3, 2022 onwards.

Keeping the safety of Students at the forefront, the district administration under the able leadership of the Honorable Collector of Gwalior initiated a vaccination drive at Delhi Public School Gwalior for the Students of classes IX, X, XI and XII on January 03, January 05 and January 10 2022, at the School campus. The creation and maintenance of a safe and secure environment for the welfare of all Students is of paramount importance to the School community.

## Celebration of Youth Festival

**“Youth is the pollen that blows through the sky, and does not ask why”**

It is correctly said that in youth we learn, the youth is the hope and belief of future.

Another platform provided to the Students of Delhi Public School Gwalior to exhibit their talent. The Students participated in the festival virtually from January 12 to 20, 2022. The Cadets of 3MP NAVAL UNIT, Delhi Public School Gwalior enthusiastically participated in various activities during the youth festival. As mindful morning commenced by doing meditation and Yoga. A youth Summit was

organized for the Students. The activities during the day included a few discussions and debate on Swami Vivekananda's thoughts. A cultural celebration was too arranged for the participants which included dance performance and folk songs. The Students DIPSITES immensely enjoyed and were solely involved in the virtual celebration of the youth festival. Indeed it was a marvelous experience for them after a long time.

## Activity Week

**Hindi Activity Week (Classes- Nursery to UKG) - 'Hindi is just not a language it is an expression of emotions.'**

To sharpen the linguistic skills and to promote the understanding of the creative potential of the Students, Delhi Public School Gwalior conducted Virtual Hindi Activity Week for the Students of Classes Nursery to UKG from November 8 to 12, 2021. Throughout the week Students participated in the activities like Mera Sathi Khojo, Haathi Mera Saathi, Kahani Pathan, Kavya Tarang, Boojho Toh Jane and were educated, brightened and enlightened about the intricacies of their mother tongue 'Hindi'.

## Mathematics Activity Week (Classes VI to XII) - "Children learn as they play, most importantly in play children learn how to learn"

Mathematics is about growth and accomplishment. Therefore, Delhi Public School, Gwalior provided such an opportunity to the Students of classes VI to XII through the offline and online platform. The Department of Mathematics celebrated MATHS WEEK for the Students of classes VI to VII in the fourth week of November. During MATHEMATICS WEEK CELEBRATION, various activities were conducted where Students had showcased their creativity. Students showed their enthusiasm and participated with great zeal and gusto.

The activity performed by the Students of Class VI was musical shapes on November 25, 2021. The purpose of conducting the activity Musical Shapes was to develop creative thinking skills amongst the Students. The children proved it true and created such wonderful poems and presented them in a rhythmic way which was appreciable. The activity helped the Students to enhance their subjective knowledge too. They integrated Mathematics with music and showed their creativity through poem recitation which was based on different types of shapes. Children enjoyed it a lot and learned

Rangometry

Mathematical Poem

## **Transport and Community Helpers Week (Classes- Nursery to UKG) - 'Today is the opportunity to build tomorrow.'**

Transport and Community Helpers Week was celebrated by the Students of Classes, Nursery to UKG of Delhi Public School Gwalior from November 22 to 26, 2021. During the week an array of activities were conducted like Rock and Roll, A Step Back in Time, Traffic Rules Awareness, Community helpers cup, Make my tool activities. The activities conducted during the week helped to build confidence, enhance diction and vocabulary of the Students.

## **EVS Activity Week (Classes- I to V) - 'A beautiful environment starts with you.'**

To show the magic of Environmental Science to the tiny tots Delhi Public School Gwalior organized the EVS Activity Week for the Students of Classes I to V from November 22 to 26, 2021. Throughout the week various activities were conducted like Building bridges, The Three R's, Float or Sink, Organic Tour, Water Conservation and Reasons of Water Contamination, Save Plants and Animals, Save Fuels and Importance of Alternate Sources of Energy Landform Fun, . The activities exposed the children to the real situations in their surroundings, helped them to connect, appreciate and be sensitized towards the prevailing environmental conditions.

## **Seasons and Clothes Week (Classes- Nursery to UKG) - 'Embrace the seasons and the cycle of your life.'**

Delhi Public School Gwalior organized Virtual Seasons and Clothes Week for the Students of Classes Nursery to UKG from December 20 to 24, 2021. The entire week was full of information and joyous activities which left a lasting impression on the young minds.

## English Activity Week (Classes- I and II) - 'English is about making ideas happen.'

Delhi Public School Gwalior celebrated English Activity Week for the Students of Classes I and II from December 20 to 24, 2021. Throughout the week, array of events were conducted with the motive to enhance the vocabulary, linguistic skills and make learning more enjoyable for the Students.

## English Activity Week (Classes- Nursery to UKG) - 'Learning is about making ideas happen.'

Delhi Public School Gwalior celebrated Virtual English Activity Week for the tiny tots of Classes Nursery to UKG from January 10 to January 13, 2022. During the week linguistic skills polishing sessions with fun filled activities were organized like Roll the dice, Phonic web, English recitation with the motive to enhance the vocabulary and make learning more enjoyable.

## English Activity Week (Classes VI to VIII)

**What we learn with pleasure we never forget.**

**Children learn as they play. Most importantly in play children learn how to learn.**

Learning is always fun at Delhi Public School. The Students get a platform and forum to learn each day. Another day for a new learning for them was provided to them during the English Literary Week. A showcase activity was organised for the Students of Classes VI to VIII from January 24 to 28, 2022. It was amazing to see how much children remembered when it was filled with fun.

# Activity Galore

## Verbs with Paper Puppets (Class III) - "Play is our brain's favourite way of learning"

Puppets are a great way to encourage and motivate young learners when learning a new language. To help support oratory skills and communication skills, Delhi Public School Gwalior piloted "Verbs with Paper Puppets" activity for the Students of Class III on November 17, 2021. This activity not only helped the children to learn and understand the concept verbs but also developed their creativity, imaginative and communication skills. They mimicked their finger puppets and also flaunted their puppets with pride, excitement and their cutest smile.

## English Activity (Classes VI to VIII) - "A good story can imbibe the right values in the most impressionable age."

The stories leave a great impression on each one of us and when it is told by children in their own style, innocence and creativity is filled with enlightenment. The good orators of Delhi Public School Gwalior are always motivated, encouraged and guided for participating in such events. The Students gain confidence and are self-motivated from such activities to participate in all such events. As a learning tool for the Students of Delhi Public School Gwalior, Speaking Activity Narrate a story was conducted for the Students of classes VI to VIII.

## Science Activity (Classes VI to VIII) - "Without laboratories men of Science are soldiers without arms."

Fun filled lab activities were organised by the Educators to aim the learning by doing. Biology Laboratory activity was conducted for class VIII Students. It would be rare to find any science course in any institution of education without a substantial component of laboratory activity. The emphasize on observational skills and practicality of the same is taught to each student in Delhi Public School Gwalior.

## Social Science Activity (Class VIII) - "Social science means inventing a certain brand of human we can understand"

Understanding Our Criminal Justice System: An instrument of social control.

Society considers some behaviors so dangerous and destructive that it strictly controls their occurrence. Only the criminal justice system has the power to control crime and punish criminals. With this view, Students of Class VIII on November 23, 2021, demonstrated the understanding of the operation of the criminal justice system through a Role Play Activity in the classroom.

## Balcony Seat Activity (Class-II) - 'The beauty of the world lies in the diversity of its people.'

To promote intercultural understanding and universally shared values Delhi Public School Gwalior organized Balcony Seat Activity under the roof of Ek Bharat Shreshta Bharat for the Students of Class II on November 26, 2021. The movie show proved to be a great visual learning experience and helped the Students to see their country's rich culture and heritage and respect different perspectives.

## Electoral Politics (Class-IX) - "The ballot is stronger than the bullet."

Elections enable people to judge the performance of a government and so they select the representative of their choice. With an effort to enable Students understand the procedure of elections and the importance of campaigning in winning any election, an activity based on mock election campaigning was conducted for Students of class IX during their Social Science Class on November 27, 2021 in hybrid mode. Party Symbols and Slogans were designed by the Students and free and open discussions of Party Manifestos were also held during the class which gave them an opportunity to voice their opinions.

### **Clay Moulding Activity (Class III) - "Being creative is not a hobby. It's a way of life."**

Finding a way to make Environmental Studies more appealing to all Students is an important step for Educators. To enhance the topic Pottery an activity Clay Moulding was conducted by Class III Students of Delhi Public School Gwalior on December 02, 2021.

### **Kahani Bunkar Activity (Class- UKG) - 'We age not by years but by stories.'**

Storytelling is the most powerful way to put ideas into the world keeping this in mind, Delhi Public School Gwalior conducted a Virtual Kahani Bunkar Activity for the Students of Class UKG on December 02, 2021. During the activity Students spun and weaved their own stories. The activity helped to foster their imagination, boosted their listening skills and enhanced their communication skills.

### **Health and Hygiene Activity (Class- II) - 'A healthy mind resides in a healthy body.'**

Personal hygiene is an important symbol of one's dignity and confidence, considering this Delhi Public School Gwalior organized Health and Hygiene Activity for the Students of Class II on December 03, 2021. The activity was a reinforcement to maintain and enhance good hygiene habits and contribute to the wellness of society.

### **Punctuation Pockets (Class-V) - "Proper punctuation is both the sign and cause of clear thinking."**

To clear the concept of punctuation and its usage in various sentences an activity "Punctuation Pockets" was piloted on December 3, 2021 for the Students of Class V wherein they prepared pockets of different punctuation marks like comma, full stop, question mark, apostrophe and exclamatory mark and wrote ten different sentences on the strips told by the Educator.

## Mathematics Lab Activity (Class IV) - "A man is like a fraction whose numerator is what he is and whose denominator is what he thinks of himself. The larger the denominator the smaller the fraction."

An interesting activity "Equivalent Fraction Plant" was conducted for Class IV at Delhi Public School Gwalior on December 9, 2021. The Students prepared a fraction plant where they represent the equivalent fraction of the given fraction in a sequence arranging it in a form of a plant. The goal of the activity was to enhance Students' understanding, skill or effectiveness in a specific area by engaging multiple styles of learning. The activity was thoroughly enjoyed by the Students with active participation. Mathematics activities serve to infuse fun into learning as well as bolster Students' confidence and the ability to think critically. At the end of this activity they have learned to find out the equivalent fraction along with the symmetry in nature.

**Decimals, Fractions and Numbers (Class V)** - Department of Maths has conducted Lab Activity "Decimals, Fractions and Numbers" for the Students of Class V on December 9, 2021. Students have been given different decimal numbers which they have to convert in fractional expansion, decimal expansion and to show them in the figures. Children made this activity very bright, creative and colourful and understood the concept of conversion from decimals to fractions and how to show them in figure form.

## Seventy Five Lakhs Postcard Campaign 'Azadi Ka Amrut Mahotsava'

Delhi Public School Gwalior organized a Postcard Writing Competition for the students of classes IV to IX from December 09, 2021 to December 15, 2021. It was organized for the ongoing celebrations of Azadi ka Amrut Mahotsav (AKAM) by the Department of Posts (DoP), Ministry of Communication, in coordination with The Department of School Education and Literacy and Ministry of Education. In the campaign, around 500 students penned down the creative postcards on different themes and topics to our honourable Prime Minister Mr Narendra Modi. The students seemed excited and happy, and participated in the campaign with great fervour and zeal.

### **Place Me Right (Class IV) - "A philosopher once said, 'Half of good philosophy is good grammar.'"**

In an effort to make punctuation more accessible to Students, this activity explored emotions that is associated with the artful and deliberate use of commas, semicolons, colons, and exclamation points. In addition to providing Students with the tools to use these punctuation marks appropriately, the lessons urge Students to experiment with punctuation in a way that contributes to the meaning, style, and voice of writing and become passionate about their own uses of punctuation. Delhi Public School Gwalior conducted an activity 'Place Me Right' for the Students of Class IV on December 17, 2021. The purpose of the activity was achieved by maximum participation of Students with zeal and understanding the concept thoroughly.

### **Christmas Craft Activities (Classes- Nursery to II) - 'The best way to spread Christmas cheer is singing loud for all to hear.'**

It is never too early to start crafting for Christmas, considering this Delhi Public School Gwalior organized Christmas Craft Activities for the Students of Classes Nursery to II on December 22, 2021. To please Santa, tiny tots showcased their beautifully handcrafted masterpieces and celebrated the festival to its fullest.

### **Doodle Art, Christmas Craft and Nature Scene (Classes III to V) - "Art is not what you see, but what you make others see."**

The main objective to art activities to cherish and value the local art form and cultural tradition. Students from classes III to V had taken part with great passion and vigour to learn skills, gain insights and experiences to help them grow and excel in their lives.

Students were taught "Doodle Art, Christmas Craft and Nature Scene" wherein they made Santa Claus by using ice cream sticks and Christmas Craft. Further, they learned to draw different sketches of doodle art and the techniques of drawing and shading the mesmerizing scene of nature which helped in improving their sketching and shading part. They were taught about sustainable environment and how waste can be used to create something useful. They participated in the activity with full enthusiasm and shared a lot of ideas, initiatives and experiences.

### **Loop Band with Conjunctions Activity (Class III) - 'A sentence cannot start with because, because because is a conjunction.'**

This activity is designed to encourage Students to brainstorm conjunction and provide them with practice using conjunctions to combine sentences with the help of loops. Conjunctions are joiners or determiners which join two sentences, words or phrases. “Loop Band with Conjunctions” activity was piloted for the Students of class III during the English class on December 24, 2021, to enhance their understanding of the topic conjunctions in an awe inspiring way. The Students participated with great diligence and ardor, their adroitness and artistry were worth appreciating.

### **Mathematics Activity (Class X) - “Mathematics is not about numbers, equations, computations, or algorithms: it is about understanding.”**

Mathematics expresses itself everywhere in almost every facet of life in nature all around us and in the technology in our hands. It develops computational skills, critical thinking and problem solving skills. With an aim to create an interactive and interesting learning of Mathematics, DPS Gwalior conducted a virtual activity of making clinometers for Students of class X. They brought together their creativity and subject knowledge by making clinometers at homes using protractors, straws, threads and small weights. The event was successful in intriguing the Students about the exciting world of Mathematics. The happiness and excitement shown by Students while participating in this activity was the best reward for their Educators.

### **Bite and Taste Activity (Class- I) - 'Cooking is love made visible.'**

Cooking harnesses imagination, empowerment and creativity, considering this Delhi Public School Gwalior organized Bite and Taste Activity on January 07, 2022 for the Students of Class I. During the activity, Students prepared yummy lip smacking snacks and proved their versatility in cooking even without fire. Our tiny tots amazed us!

### **Battle of Books Activity (Class-II) - 'Knowledge opens the door to opportunity.'**

Learning gives creativity, knowledge makes us great, considering this Delhi Public School Gwalior organized Battle of Books Activity for the Students of Class II on January 07, 2022. During the activity Students showcased their brilliance by rapidly answering the questions. It was a very informative and knowledge enriching activity for the participants along with the audience.

### **Child Safe Activity (Performing Art) (Class III) - "Mime is an art beyond words. It is the art of the essential. And you cannot lie. You have to show the truth".**

Mime is in our daily life and with little effort, we can all perfect the art form. An activity 'Child Safe' through mime act conducted on January 13, 2022 during their GK class for the Students of class III to make them understand the importance of child safety. They have also learned that they should be alert inside and outside of the house. They dressed up well in black and white costume along with beautiful make up and presented their act with confidence.

### **Spell-o-Check Activity (Class- I) - 'Learning is creating yourself.'**

The Virtual Spell-o-Check Activity was held by Delhi Public School Gwalior on January 21, 2022 for the Students of Class I. Throughout the session tiny tots did lot of fun cum learning activities which aimed to create awareness, expand vocabulary and improve the communication and comprehension skills of the Students.

### **Swar Gyan Activity (Class- Nursery) - 'Knowledge of languages is the doorway to wisdom.'**

To familiarize the Students with the swar and their sounds Virtual Swar Gyan Activity was organized by Delhi Public School Gwalior for the Students of Class Nursery on January 21, 2022. Learning the swar as the foundation of our spoken language helped the Students to develop their linguistic skills and boosted their confidence.

### **“If I Were” Activity (Classes III to V) - “Fantasy is hardly an escape from reality. It's a way of understanding.”**

A child's capacity for cognitive flexibility and creativity are linked to role play. It helps them to exercise their brain and train it to practice using imagination at an early stage. Keeping this in mind an activity “If I Were” was conducted virtually for the Students of Classes III to V during their English period. During this activity, Students placed themselves in an imaginative setup in which they found a way to interact with others and experimented with the role of a person they would like to be in future. Children took part in this activity with full zeal and enjoyed it to the fullest.

### **Literary Calendar Activity (Classes III to V) - “You don't have to be great to start, but you have to start to be great”.**

Make literacy come alive every day of the year! To enhance the creativity and develop the habit of reading books and poems. Delhi Public School Gwalior conducted an activity 'Literary Calendar' for the Students of classes III to V on January 21, 2022. They made a calendar mentioning the name of the Poet/Writer and two books/poem written by them in the month their birthday fall in. The purpose of the activity was to create awareness about the importance of reading books. Maximum participation of Students with zeal and creativity was observed.

### **Dress and Tell (Classes III to V) - “There is more treasure in books than in all the pirate's loot on Treasure Island.”**

Scholastic and co scholastic activities have an equal importance in School for the all round development of a child. To enhance the creativity and develop the habit of reading books and poems Delhi Public School Gwalior conducted an activity 'Dress and Tell' for the Students of classes III to V on January 21, 2022. The Students dressed up as their favourite writer/poet and read a story/poem of that character to the class. The purpose of conducting the activity was not only to involve the learners to blend learning with fun but also to encourage others to read about the same and to develop confidence in the Students.

### **Poetry Out Loud Activity (Class- II) - Poetry is the rhythmical creation of beauty in words.'**

Delhi Public School Gwalior conducted Virtual Poetry Out Loud Activity on January 28, 2022 for the Students of Class II. During the activity the young poets enthralled the audience with their articulation and memory skills while reciting poems. Children enjoyed the beauty of expressions, thoughts, feelings, rhyme, rhythm and music of words. The activity helped to enhance the confidence and oratory skills of the Students. Everyone was delighted after seeing Students mesmerizing performances.

# Workshops for Students

## Visit to Career Fair Drona Mela

### Workshop on Zero Plastic Tolerance (Classes- I and II) - 'If you cannot reuse it, refuse it.'

To create an awareness among the Students that the proliferation of plastic is accelerating climate change and should be urgently halted as it affects the ecosystem on the whole. Delhi Public School Gwalior conducted a workshop on Zero Plastic Tolerance for the Students of Classes I and II on October 27 and 28, 2021. During the workshop Students were educated about the harmful effects of plastic and understood the importance of practicing no plastic activities in daily life.

### Workshop on Be an Eco Buddy (Classes- Nursery to UKG) -

'When we heal the earth we heal ourselves.'

Delhi Public School Gwalior lead the way in creating environmental awareness by conducting a Virtual Workshop on the topic Be an Eco Buddy for the Students of Classes Nursery to UKG on November 16, 2021. The workshop was successful as Students were highly motivated to make the Earth clean and green and it also helped in developing the sense of consciousness among the Students.

### Workshop on Animal Encyclopedia (Classes- I and II) - Animals are our link to paradise.

Wildlife is a precious gift for this planet, considering this Delhi Public School Gwalior organized a workshop on Animal Encyclopedia for the Students of Classes I and II. The workshop allowed the Students to observe, interact and learn about animals and enrich their learning about wildlife and ecology.

## हिंदी कार्यशाला : अनुशासन, स्वच्छता व शिष्टाचार (कक्षा – 3 से 5) –

“अनुशासन का कोई विकल्प नहीं होता, अनुशासन खुद सर्वश्रेष्ठ विकल्प है।”

शिष्टाचार और अनुशासन विद्यार्थी के अनिवार्य गुण हैं। संयमित आचरण, परिश्रम और स्वाध्याय एक विद्यार्थी के शैक्षणिक जीवन को सफल बनाने में अहम् भूमिका निभाते हैं। एक अच्छा विद्यार्थी बनने के लिए स्वस्थ जीवन शैली का अपनाना अत्यंत महत्वपूर्ण है। शारीरिक व मानसिक रूप से स्वस्थ रहने के लिए पौष्टिक भोजन और पर्याप्त नींद का दिनचर्या में संतुलन आवश्यक है। कहा भी जाता है कि पहला ‘सुख, निरोगी काया’। इन्हीं सब विषयों को लेकर दिल्ली पब्लिक स्कूल ग्वालियर में कक्षा 3 से 5 के विद्यार्थियों के लिए नवंबर 26, 2021 को एक कार्यशाला का आयोजन किया गया। छात्रों ने उन विषयों के बारे में जाना-समझा जो आज के परिवेश में अत्यंत आवश्यक हैं। कार्यशाला में चर्चा के माध्यम से इन विषयों को समझा तथा छात्रों ने इस कार्यशाला में उत्साहपूर्वक भाग लिया तथा चर्चा के माध्यम से इन विषयों को हृदयंगम किया।

**Maths is Fun (Classes III to V) - “Mathematics may not teach me how to add love or subtract hate but it gives me hopes that every problem has a solution.”**

Mathematics is the cradle of all creations without which the world cannot move an inch. A good curriculum of Mathematics is helpful in effective teaching and learning of the subject. Experience says learning Mathematics can be made easier and enjoyable if our curriculum includes Mathematical activities and games. Math puzzles and riddles encourage and attract an alert and open minded attitude among children and help them to develop clarity in their thought process.

Emphasis should be laid on development of clear concept in math in a child, right from the primary

classes. Keeping this in mind, Department of Mathematics of Delhi Public School Gwalior organized a workshop on the topic “Maths For Fun” for Students of classes III to V on December 29, 2021 where an array of activities were conducted in a very interesting way. Students participated and enjoyed the activities of riddles and puzzles thoroughly. As it is believed that the process of learning is complete if our sense of hearing is accompanied by our sense of sight.

**Career and University Fest-2021-22** - Delhi Public School Gwalior strongly believes in the notion that education is essential for the enlightenment of an individual. In an endeavour to provide our Students with meaningful experiences to enhance their college and career readiness, a digital conclave was

organised by Delhi Public School Gwalior in collaboration with Campus Coach on February 28, 2022 for both parents and Students of classes IX to XII. Ms Navya Sood, a Student of Class XI welcomed the delegation virtually for their benign presence. Ambassadors and deputies from various universities put in great efforts towards stirring the strength in Students to pursue their dreams. Ms Archana Nayak from Mahi Manipal University guided the participants about the versatility of Manipal University, Mr. Akshay Sahani told them about Mahindra University, Ms. Gita Balchandra threw light on Bennett University, Dr. Juliet Paret walked the Students through Alliance University,

Mr. Arshad Sheikh enlightened the Students about Krea University and Ms Jahanbi Barua from Strate School of Design elucidated them on aesthetics of art and design. The participants witnessed a magnificent session that focused on providing a multifarious perspective of the various career fields. An open questioning session was held at the end to resolve all the queries of Students. Shambhavi Singh, Yashashwai Shaw, Anshika Gupta, Kshitij Seth, and other Students put up their queries which were answered by the speakers during the session. Ms. Gayatri Srivastava, Vice Principal motivated the Students with her words of wisdom, and Ms Jagrati Gangwar, Incharge Educator encouraged the team for their unified efforts. Ms Vijeta Valsan and Ms Shwetambari from Campus Coach joined us to make this event a grand success. Ms Anshika Gupta proposed the vote of thanks. Mr Rohit Panda, Principal Delhi Public School Gwalior thanked the panelists profusely for such an enriching session. Overall the programme helped the Students to have a better understanding of the opportunities that could be offered by various universities. In today's environment of multiple options, knowing about choices available helps children in their decision-making process and this was the school's effort towards preparing Students for a successful future ahead.

## A Steps Towards Success

**Conduct of Yearly Examinations & Pre Board Examinations (2021-22) - “Do the best you can until you know better. Then when you know better, do best.”**

Examinations are the vital part of any phase of life, but for Students it serves more importance for next step in their school life. The examination of Classes Nursery- IX and XI was accomplished smoothly and Students were thrilled on the last exam day. The exams give the scope to improve every year with betterment in personality and academic filed. The exams were conducted to evaluate the achievement of Students, to measure their personality and also to help in diagnosis. Examinations act as an incentive for the Students for their up gradation as they help in grouping, prognosis and selection of various competitions. Examinations play very important role in measuring the fitness for admission in several spheres of Students life. During the online examinations duties were assigned as a host and co host to the Educators. The new set of rules, mythology and assessment has all been worth the tireless efforts put in by the Students, Educators and the Management of Delhi Public School Gwalior. The Pre Board Examinations for classes X and XII were successfully conducted in an offline mode at Delhi Public School Gwalior by the National Board of Secondary Education (NBSE) with the motto of providing hands on experience of CBSE Examinations to Students. NBSE is an external agency which helps Students prepare for Board Examinations more confidently and help them comprehend the real essence of the board examination. The exams commenced on March 02, 2022 and successfully concluded on March 11, 2022. The Students seemed confident and well prepared while taking their assessments which was a result of thorough revision and proper understanding of concepts of all the subjects. Proper COVID-19 guidelines were followed in the school premises. The use of masks and sanitizers and maintaining social distance was strictly followed by every member present in the school. The exams were successfully conducted under the guidance of the Principal Mr. Rohit Panda, the Vice Principal Ms Gayatri Shrivastava, Incharge Educator Ms Shivani Kapoor, Ms Jagriti Gangwar and Ms Anupama Chadda.

## Igniting Minds

**“Coming Together is a Beginning, Staying Together is Progress, and Working Together is SUCCESS!!”**

Aiming to commence the session with a new spark, several meetings were presided by Mr Rohit Panda, Principal, Delhi Public School Gwalior with all the Educators of Nursery-XII segment along with the Vice Principal Ms Gayatri Srivastava, Incharge Educators Ms Jagrati Gangwar, Ms Shivani Kapoor and Ms Anupama Chadda in different slots from Mar 7- Mar 17, 2022. To begin with, Mr Panda thanked and acknowledged the staff for their magnificent response to the challenges the pandemic imposed. Under the able guidance of Mr Panda, the meeting focused on the understanding of various classroom management strategies and the need for teachers to seek ways to implement new methods of teaching more effectively. During the meeting, he mentioned the importance of experiential learning and how implementing the new pedagogy would revamp our educational system. He reiterated that Educators must discover a learner centered approach to harness the power of Student voice for which he suggested a few strategies for effective classroom management too. Academic excellence had been just one agenda; Mr Panda laid stress on the holistic development of children. He focused on, “Knowledge is love, light and vision”. He stressed that with this vision in mind the Educators may help the Students glide above their textual matter and think critically along with human concern.

Mr Panda gave mind provoking ideas on how to strengthen our abilities as Educators by emphasizing on the usage of the right word at the right time, being creative, lively and enthusiastic in the class room. He discussed the do's and don'ts to be followed with the school reopening for Students at the commencement of the new session. He also focused on Mind Spark and Detailed Assessment as enhanced learning programmes to facilitate the children with new parameters of understanding. He also emphasized on providing a safe and inclusive environment that promotes professional growth and positive well being of the Educators.

## Result Day

**“A little progress each day adds up to big result. Nothing in this world is impossible. Even the word itself says I M POSSIBLE.”**

Congratulations on the amazing success.

, Annual Parent Educator Meet was successfully conducted for classes IX and XI on March 12, 2022, post Annual Examinations where the report cards were given away and the performance of Students discussed in detail with parents. The result day for the Classes Nursery-VIII was arranged on March 22, 2022. The Parents of each Student were really happy with the entire system and management of Delhi Public School Gwalior. All of them appreciated the efforts made by the team and how well all the spheres of the personality of a child were taken care by the school. The words of appreciation were loading from every corner of all the Blocks and really motivated the team to perform better and better for the coming session. The expectation became higher to achieve more for all the areas of school's working. Success is not fatal; failure is not fatal it is courage to continue that counts. The motivational and encouraging words by Parents really pumped all the members of Delhi Public School Gwalior to perform more remarkable now onwards. The steps of learning are more to go with lot of zeal and fervor amongst the team to come up to the expectations of the Parents. The appreciation was not possible without the continuous encouragement and motivation by the Head of the team Mr Rohit Panda the Principal, Ms Gayatri Shrivastava the Vice Principal Ms Jagriti Gangwar, Ms Anupama Chadda and Ms Shivani Kapoor the Incharge Educators. They all are the real inspiration for the smooth functioning of school.

## Parent Partnership Programme

The foundation for a good parent teacher relationship is frequent and open communication, mutual respect and a clear understanding of what is best for an individual child. In pursuit of the same, Delhi Public School Gwalior, organised a Parent Partnership Programme for the Students and parents of classes Nursery to IX, to familiarise them with the latest curriculum and assessment pattern for the current academic session, on Wednesday, March 16, 2022. The programme commenced with a warm welcome to the parents followed by enlightening the audience with the vision of the school. Parents were addressed by showing a comprehensive PowerPoint Presentation. It emphasized on the active involvement of parents in the upbringing of their wards and on active synergy among parents and teachers for the holistic development of the child.

In this event, parents were informed about the rules and policies of the school, facilities available in the school, extracurricular activities and class wise assessment policy. They were also made aware about the Uniform, Notebooks, Homework Schedule, Worksheet, Pigeon Hole, Medical Checkup and were given information about Art Zone, Atal Tinkering Lab, Digital Library, Dance Studio, Laboratories, NCC, Scouts and Guides, Educational Tours, Annual Fete, Heritage Tour etc.

The Principal, Mr Rohit Panda spoke at length about the benefits of effective communication between parents and teachers; he emphasized on the strong connection with the school patrons. He even sought support and suggestions from the parents to provide the best educational and growth opportunities to the children of the school.

Later, Vice Principal, Ms Gayatri Shrivastava, Incharge Educators, Ms Jagrati Gangwar, Ms Shivani Kapoor and Ms Anupama Chaddha gave an overview of the various subjects and the activities which would be undertaken in the year ahead. Not to forget, the co scholastic activities were also discussed that gave the parents an idea of the curriculum which is self directed with hands on learning activities that not only give our Students a medium to fully utilize their creative talents and energies but also help them in their all round development. The programme came to an end with a vote of thanks and proved to be a sincere effort made by the school in educating the parents to look after and properly guide their children.

## Vaccination Drive

The Students bodies are garden our wills are our gardeners. The COVID Shot for the age group of 12-14 years.

Vaccines save millions of lives each year. The development of safe and effective COVID-19 vaccines is a huge step forward in our global effort to end the pandemic and to get back to doing more of the things we enjoy with the people we love. The guidelines issued by the Ministry of Health and Family Welfare and under the National Vaccination Programme, Delhi Public School Gwalior organized a Covid-19 vaccination Camp for the Students between the age group of 12-14 years on March 23 and March 24, 2022. The team of Delhi Public School Gwalior takes care of each sphere of the Students as the COVID-19 pandemic has seriously impacted the lives of children and young people, and the immunization process will be an important step towards recovery. It means getting all children back to learning in classrooms and ensuring safe and full access to vital protection and health services, including routine vaccinations. COVID-19 vaccines offer hope, and as vaccines continue to be available, we must remember that preventive measures such as physical distancing, masks, and hand hygiene should continue after vaccination. DIP SITES of classes V- IX were asked to grab the opportunity to get vaccinated at school and also guided to follow COVID Appropriate Behaviour. All necessary arrangements were made at the school to ensure a smooth vaccination drive. The appointed COVID Team remained active throughout the two days. The children would be eligible for the second dose after 28 days.

“स्वस्थ जीवन–सुखी जीवन”

दिनांक 31.03.2022 को दिल्ली पब्लिक स्कूल ग्वालियर में प्राचार्य श्रीमान रोहित पंडा एवं उप प्राचार्य श्रीमती गायत्री श्रीवास्तव के मार्गदर्शन में संस्थान के सपोर्ट स्टाफ (चतुर्थ श्रेणी कर्मचारियों) के लिए “स्वस्थ जीवन–सुखी जीवन” विषय पर कार्यशाला का आयोजन किया गया। इसमें इस वर्ग के सभी सदस्यों को प्रगतिशील बनाने हेतु विद्यालय की रीति-नीति से संबंधित आवश्यक जानकारी दी गई, जिसके अंतर्गत उन्हें प्रमुख रूप से अनुशासन, शिष्टाचार, स्वास्थ्य आदि के साथ-साथ प्रशंसा, प्रोत्साहन, अपनापन आदि भावों से परिचित कराया गया। कार्यशाला में उन्होंने टीम वर्क के महत्त्व को जानकर उसे आचरण में लाने तथा विद्यालय को यथाशक्ति सहयोग कर सर्वश्रेष्ठ बनाने का संकल्प लिया।

## Launch of 100 days Reading Campaign

**'Reading is the gateway skill that makes all other learning possible.'**

Reading is the foundation that motivates Students to read independently, develops creativity, critical thinking and vocabulary. In continuation to the CBSE Reading Mission and to develop the reading and comprehensive ability among the Students. Delhi Public School Gwalior initiated the 100 Days Reading Campaign (14 weeks) for the learners of Balvatika to Class VIII. This campaign was aligned with the vision and goals of the Foundational Literacy and Numeracy Mission. It focused on Indian languages including mother tongue/local/regional languages. These activities helped to reinforce the habit of reading at an early age, helped in brain development, enhanced imagination and provided a conducive learning environment for Students. It also helped Students to relate to their surroundings where they read for pleasure and developed their skills through a process that is enjoyable, sustainable and which remains with them for life.
