# Special Achievements

**“Take the stage, own the moment, let your talent speak.”**

It was a special moment of immense pride for Delhi Public School Gwalior as our student Aratrika Yadav of Class IV, represented school and the city Gwalior internationally. We're beyond thrilled that Aratrika has secured Third Position at the 15th Cultural Olympiad of Performing Arts in Pattaya, Thailand. Her stunning Bharatanatyam performance captivated the audience and judges, earning her high acclaim and making Gwalior proud. At just 8 years old, Aratrika's precision, expression, and artistic maturity left everyone spellbound! She was also recognized as the "Youngest Performer" at the event, adding another feather to her cap. We wish her all the best for her future endeavors.

“Courage is not the absence of fear, but the triumph over it.”

With immense pride, we announce that Shivang Singh Chauhan of Class V, Delhi Public School Gwalior has etched his name in history by becoming the youngest person to paraglide from a height of 4,560 feet at Bhimtal, Nainital, on 12 May 2025. At just nine years old, Shivang showed extraordinary grit and confidence, achieving what many only dream of. He earned recognition from four world record books making him a true inspiration for young minds. Earlier, in 2023, he had already stunned the world by setting a blindfolded Rubik’s Cube world record.
